

People's Expo in Milan puts focus on farmers' rights not corporate concerns

giugno 18, giovedì, 2015

<http://expodeipopoli.it/press-it/rassegna/peoples-expo-in-milan-puts-focus-on-farmers-rights-not-corporate-concerns/>

A restored warehouse in Italy's financial capital might seem an unlikely place for a recent meeting of more than 180 grassroots activists, gathering in Milan to challenge the way the international food market is managed. [[continua a leggere su The Guardian](#)]
